

QUEENSLAND INDEPENDENT EDUCATION UNION

Graduate Information Session- Brisbane

Friday, 9th April 2010
12:30pm – 3:30pm

Queensland Council of Unions Building
Level 2 - 16 Peel Street
South Brisbane QLD

This session provides education graduates with a forum for gaining knowledge and asking questions about some of the key concerns and issues encountered in the initial year of their career.

This opportunity will provide participants with a variety of modules on issues such as;

Legal issues that you should be aware of and how to minimise your liability
Requirements for teacher registration and how you can be best prepared
Dealing with behaviour management in your classroom

An early career teacher will also make a presentation to attendees about their experience in their graduate year, some of the common problems they encountered and how they overcame these.

All graduate members, or those who would like to become a graduate member are encouraged to attend. (The attached registration form must be back by Friday, 2 April 2010)
